IN 31ST YEAR—EVERY WEEK SINCE 1905.

HAMLIN, JONES COUNTY, TEXAS, FRIDAY, OCTOBER 30, 1936.

NUMBER 53.

URGES VOTE FOR

AMEENDMENT NO. 6

REPRESENTATIVE HOWARD C. DAVISON OF FISHER CO.

Voters of this section of Texas are urged to vote for Constitutional Amendment Number 6 on November 3, by Honorable Howard C. Davison, Rotan, Texas, member of the House of Representatives from 117th District.

"Unless this amendment is adopted, in due time the large cities of Texas will completely dominate the legislative branch of the government," Representative Davison said. "Most of the other States in the Union recognize geography as well as population in the allocation of representatives. There is good reason why Texas should follow this same plan."

"All voters who live in rural sections and in small towns and cities dependent upon agricultural activity should certainly give this amendment their attention and ask their friends to support it."

In conclusion, Rep. Davison said, "I urge every qualified voter to actively support Amendment Number Six on November 3."

## OIL TERRITORY BEING CHECKED

Some days ago the Petty Geophysical Engineering Company began an extensive survey of the likely oil territory in the Hamlin area.

This company is far larger than any company of this kind yet to work in the community. They have a force of eighteen men, and a large amount of equipment. Mr. H. W. Dawson is Party Chief and he is assisted by a bunch of experts who are going to test out a wide area of possible oil territory in Jones, Fisher and Stonewall counties, using the Seismograph system.

Their offices are over the Farmers & Merchants National Bank and the work they expect to do will perhaps keep them here till next spring. Hamlin oil area is not developed as yet, and although there are more than 100 producing wells, there is yet lots of sections that no doubt will have oil.

The oil drilling activity will likely pick up greatly soon after the first of the year. Just where the next excitement is to be none can yet tell, but here is a "wee secret," the oil men know a lot more about the future development about here than any of the "natives" don't be fooled, hundreds and thousands of barrels of oil will go out from this immediate section in the near future years.

Let the 100 wells west of town flow at capacity and the pipe lines serving them could not handle all the production, right now.

Expect to hear a lot more about Hamlin oil in 1937.

## OUR GOVERNMENT And Our Ballot

Tuesday, November 3, 1936

Again the United States is approaching another great period in its history—a period of unusual importance, more so, perhaps than that of 1932.

The following paragraphs are in keeping with the spirit of our democratic form of government and each and every sentence is a "thought individual" with no aim of a connected argument.

If each and every little rural paper, along with the great metropolitan papers, should calmly, and patriotically talk to the nation, we believe our minds would be all the more conservative and our confidence and hopes of the future of our country would be increased.

In the foundations of the government of the United States it was thought best to let the individuals, starting with about 5,000,000 and now counting into 130,000,000 people, be the real sovereign power, and therefore whatever is done and whoever does it, it is the individual voter's own responsibility—and that this approval or disapproval should be spoken every four years.

Since Washington's time, the four years have come and gone and a great, and greater nation has marched steadily forward, through good judgment, through great mistakes, through great arguments, through blood of state against state, through reconstruction days, hatred, panics, prosperity, and cold chilling stagnation, through war and danger from within and without, and through a blighting period called "Depression." Has our progress, our influence and greatness to this day been the result of our freedom of thought, and expression, of voting, as we feel we should? We think so.

We have so much confidence in the sound thinking of a majority of the people of the United States, that we believe there is no problem too great and complicated but that it can and will be solved to the continued glory and greatness of our thinking people.

To carry out ideas of government, in a democratic government, like ours, we naturally fall into groups or parties, through which such ideas are finally put into effect and tried out. Our nation was created in an atmosphere of freedom of thought, of speech, of the press and of religion, and on these lines we agree or disagree, vote our sentiments, count up the ballot and then like good patriots yield to the majority for another period of four years when charges and counter charges are again made.

### HISTORICAL FACTS HELP

The school of experience should teach every free people which way to travel. In our own country, from time to time, we have stood at a cross roads, so to speak. We try to peep into the hills, and valleys, gulches and canyons of the future that we know are just ahead. We figure the future from the past.

The chief point to ever keep in mind, is that the ultimate aim of all government is to make way for security and individual happiness. That the weak must be protected from the greedy and strong, both at home and abroad. That we are only one of

the great family of nations and that no nation can continually ride above and over all others and last on and on. Such a nation will perish of its own power.

Often times we reach a bewildered point in our history—which way shall we turn—if we do this and what will be the result—if we do not do that then what? Let us remember one thing—we have just so much in the world, and there is enough for all, if we all co-operate properly in utilizing our resources, including man power.

There is no turning back. Our country will never stand for the "good ? old days" again. The ten years preceding 1930 wrought changes in sentiment, in economic set-ups, in new things, in big ideas, far too comprehensive for most of us to fully understand. It looked like "prosperity" but turned out otherwise.

The fall of 1929 found a bewildered, frantic people. Previously it was a time of "mergers," combinations of forces, financial and other wise to do big things without so much labor. Labor was high. Finally buying slacked up and men were not wanted and were laid off, first for a few days, then a week or more and at last for good. Big concerns had the money bottled up and a mortgage on property. By 1930, mills and factories stood smokeless, silent, then men walked the roads in hopeless search for work for bread for their families. Cotton, corn, wheat, cattle, everything was so plentiful and so cheap that products would hardly move along the lanes of transportation. If labor was wanted on the farms, the income was so little and the scale was so small that the laborer could hardly maintain himself on the pittance offered.

Drouths and floods rushed in upon a frantic people. We all remember the dark days in this modern age? What caused the situation? Not many will agree. Was Uncle Sam sick, near unto helplessness? Our memories are good enough to remember all we are saying here, and more. WE are Uncle Sam and ALL of us know how sick we were, and some maybe yet.

What caused all the unnatural feelings and situations? No two will agree on that for surely there were more than ONE cause. But whatever it was, let's pray the God of Nations that we Americans may have wisdom enough to find it out and never again permit such a situation. Let's not blame the Republican party, or any party for the coming of 1929 and the years that followed, and also let's not give all the credit to the Democratic party for better times that now prevail all over our great country. Some people are men of action, while others are so careful that ruin comes upon them while they wait.

We should forget the word "Republican" or "Democrat" or whatnot. It seems to us that regardless of what one might have been in the days of the dark past, he would be liberal enough to see that the United States has come a long way since the days of the last presidential campaign. In 1928 the Old South turned from its solid Democratic vote because of a protest of a certain man who was given the honor of leading the party. Today that same fellow is trying to scare the people into the same channel that they fell then, in opposition to him, without giving one reason at all except the cry of "party."

Party is alright when the action of the leader redounds to the betterment of the nation. All wrong if it does not.

We are in a position to think and talk freely. We would not take one bit of glory from any man or party. We were born in the home of a Republican father, lived with him and voted with him—and our father though he was voting right. Time works wonders, conditions change and ideas also change and today we

## PLACES FOR VOTING IN HAMLIN TUESDAY

This next Tuesday, the voters of West Hamlin box will enter the High School building at the auditorium entrance to cast their vote. This is necessary because of the class rooms being in use.

East Hamlin voters will not go to the old City Hall as usual, but will perhaps use a new location for this time perhaps the Ritz Theatre. Exact plans for this box is not fully determined.

Sometimes we see old-timer Hamlin citizens mixed up on what place to cast their vote. As we remember the boundary limits, West Hamlin Box gets all voters in Jones County, living north of the Katy railroad and west of Central Avenue down to the California Creek. All others vote in East Hamlin box.

## LOOK AT THE JUNIOR HALLOWE'EN

CARNIVAL PAGE IN THIS  
PAPER. COME OVER AND  
SEE US SATURDAY NIGHT,  
O ct. 31, 7:00 O'clock.

Republican faith — if we had continued up to this day a Republican, we would, out of gratitude for the improvements plainly seen in this country under a Democrat administration—we say we would this year vote for Franklin D. Roosevelt, for what has been accomplished.

So, this next Tuesday IS a great day in the history of our country. If our country stays with Mr. Roosevelt we may expect further and far greater improvement in the next four or eight years than even in the past three. We are headed for greater security, and safety, as individuals, we think, under Mr. Roosevelt.

If this nation changes "doctors" now, it should not complain if Uncle Sam has a relapse. And a relapse soon might be worse than the first attack. Let's all be patriotic, enough to be liberal. Down here in Texas, there is no room for much argument. The saddest thing is to see good fellows straying off after unknown bed-fellows. What is good is good only by test. What is bad is found out by use. There is plenty of room for all and our country, first of all.

## THE BALLOT TUES. WIDER'N THIS SHEET

Next Tuesday morning when you go down to vote don't get excited when they hand you a sheet of paper larger than this page of the Herald. The ballot has eight columns and is about 22 inches long.

Fancy how this looks: Arranged this way, in columns, by parties: Democratic - Republican - Socialist-Union - Prohibitionist - Independent - Blank. The blank may mean the "Whatnot Party."

There you are. Take your choice. In this nation everything is free, except doing wrong, against the established laws and order. All one needs to do is to make a plain black pencil mark down the SIX columns you do not want. You know which party you prefer before you go to vote. It takes but a minute. But you must make SIX mark-outs, if it counts.

### AMENDMENTS AT BOTTOM

Down at the bottom of your ballot you will find SIX proposed State Constitutional Amendments to be voted upon. They are numbered from 1 to 6. This is where you will scratch your head. Constitutional amendments have grown to be dangerous from the fact that most voters do not always know what to do—which is best and which is not. Some, in their bewilderment, don't bother any of them either way and that is dangerous. Better vote NO than not vote at all. Sometimes much depends upon the passing of the amendment in question. Usually you better ask "What does it cost?" It is the cost that hurts.

Finally, after you have done all your "scratching" gently fold up the "party blanket" and deliver it to the presiding official. You have done your great duty as a citizen. Each little vote, like each little drop of rain, must be counted to make up the great streams of good government. Not many real earnest voters in America cast a hurtful vote. They may make a mistake but do not mean to. Back of some parts of the ticket may lurk a sinister motive and the voter will sooner or later find it out and correct his mistake. Vote your sentiment and be one of the 45,000,000 who will be counted next Tuesday, November 3.

## About the Amendments

In as much that Ex-governor James E. Ferguson has had about as much to say and as much influence on proposed constitutional amendments in the past as any other Texas citizen, we feel it not out of place this week to quote him on his stand for or against the SIX amendments to be voted upon next Tuesday. He says:

## "FOR 'EM ALL EXCEPT ONE"

(By JIM FERGUSON)

"In view of my discussion of the amendments voted on by the people in the past elections, I have been asked for my views on the six constitutional amendments to be voted on the general election in November. After reading these amendments, I have come to the conclusion that I will vote for all of them except one.

"The amendments on the ticket will be numbered from 1 to 6, inclusive, and the first amendment provides for the establishment of a state dispensary system having the exclusive sale of distilled liquors and providing for local option. In my opinion, this amendment should be defeated. The law now provides for local option in any county and we do not need additional amendments to give the people the right of local option.

"I do not think the state ought to go into the liquor business exclusive or otherwise, and I think such a law would bring a general corruption in official circles and would result in increased violation of the law.

"Amendment No. 2 is in effect a pension for aged teachers after they

have reached a certain age. Teachers have been the poorest paid in the public service and the meagre salaries which they receive will not permit of them laying up anything for a rainy day, and for this reason I am going to vote for this amendment.

Amendment No. 3 has some objections, but it provides for the payment of workmen's compensation insurance for employees of the state after certain length of service. I am going to resolve the doubt in favor of the amendment.

Amendment No. 4 provides for the establishment of a Board of Pardons and Paroles. The ticket which will be presented to the voter is misleading in that it says that "The Governor's pardoning power shall be subject to recommendations of said board." I think a careful reading of the act of the Legislature will show that this amendment only provides for a reorganization of the Board of Pardons. Probably it will be a good idea to have some supervision of the pardoning power to take care of somebody that might be afraid to trust themselves with the full power of pardon.

"Amendment No. 5 is what is known as the salary amendment, raising the Governor's salary from \$4,000.00 to \$12,000.00, and the Attorney General from \$4,000 to \$10,000, and the salaries of the Comptroller, Treasurer and Commissioner of the General Land Office from \$2,500.00 to \$6,000.00, and the Secretary of State from \$2,000.00 to \$6,000.00. While I have generally been opposed to raising salaries, yet if a raise in salary will or might

bring us an increase in ability and efficiency, probably our state affairs have become so important now that we ought to give ourselves the benefit of any reform along along that line that we can.

"Really the salaries paid to this important branch of the public service have become inadequate, and, therefore, I am going to vote for this amendment.

"Amendment No. 6 provides a limitation on the number of legislators that can be elected from any one county. The amendment proposes to restrict the number of representatives from any one county to 7, unless a county has more than 700,000 people, and then one additional member to each additional 100,000 population. The object of this amendment is prevent concentration of legislative power in large cities. If the six large cities of the state should reach an average of one-half million each, they could elect enough members of the Legislature in the House and Senate to absolutely control all legislation, and we would see six counties controlling 248 counties. I think this is an important amendment and should be adopted.

"Let me suggest to all voters to be careful in making out their ballots. Scratch out the words "For, etc" in Amendment No. 1. Scratch out "Against, etc" in each of the other separate amendments. If the voter scratches the entire ballot his vote won't count and it is necessary to scratch each number. I'm for 'em all except one, and that is Number 1. I am for all the rest."

Mrs. J. H. Feagan is at home from Trinidad, Colorado and Dalhart, Texas, where she spent the summer with her daughter.

## SENIORS

Everybody watch out for the Seniors on Saturday, October 31. We haven't had much to say during this past month but we are going to do lots tomorrow. Come out to the Carnival and see the Seniors' Booth—we can't tell you what it is for that's a deep dark secret but worth anybody's time.

Also the Senior Stunt is going to be a cream—you'll laugh until your sides ache. To finish off a most enjoyable evening, the Senior are hoping, trusting, and working for D. W. Carlton to crown Beulah Lou Burns Queen of the Hamlin High School. The Seniors with their sponsor, Miss Thompson, are working to please and satisfy the mobs who will be anxious to stop, look, and listen.

—Senior Reporter.

The seniors are gloriously happy over the outcome of the basketball game last Wednesday at noon. We tied the Sophomore boys 12-12. It was a very enjoyable game to both parties mentioned and all the spectators seemed to enjoy it too.

The tie will be played off sometime next week.

We have been challenged to play the Juniors next Monday at noon and we accepted before they could finish the challenge.

They beat us the last time we played, but maybe we'll have better luck this time.

It is a free game. No admission will be charged. Everyone come out and we would suggest, "Yell for the Seniors."

The Senior girls are going to play the lady faculty members Thursday, October 29. Watch next week's paper for the results.

We have been working on what we call our part of the "Junior Carnival."

A stunt committee has been chosen and this committee is really doing something. The booth committee has been chosen and they are going to put over some real acts. The Stunt committee is composed of the following members:

John F. Green—Chairman  
Emil Ray Farmer, Inez Howard, Lovel Stell, Mary Lou Bailey and Juanita Flenniken.

The booth committee is composed of the following students: Pat Allen, Chairman; Herschel Fielder, L. C. Bonds, Lila Bell Moore, Inez Howard, Dorothy Morgan, and Fleda Elkins.

With these two boys: John F. and Pat, as chairmen, the seniors should be able to hold up their end of the load, provided the rest will help and we are more than sure they will.

We had a class meeting Wednesday, Oct. 28, in which some very important class "matters" were discussed. The meeting adjourned at the end of the sixth period and with senior "enthusiasm" running wild.

## THE HOME ECONOMICS CLUB

All Homemaking students met in the auditorium Wednesday, Oct. 7, for the purpose of organizing the Homemaking Club. The sponsor is the instructor, Mrs. Holmes. The following officers were elected:

Katherine Gardner—Pres.  
Billye Gene Howington—V. Pres.  
Mary Lou Bailey—Secy.  
Callie Jo Bailey—Treas.  
Juanita Flenniken—Reporter.

With this group of officers, an enthusiastic sponsor and a large group of club members it is certain that this year will be a success.

The social committee appointed by the President will see that we have a good time along with our work. The committee are: Inez Howard, Eva Louise Fowler, and Lila Bell Moore. The carnival committee are: Billye Gene Howington, Patsy Harwell and Peggy Jane Teague. They will select an interesting and money-making group of booths for the Junior Carnival.

The Constitution committee are: Marjorie Dean, Eloise Riddle, Fleta Elkins, and Lola Faye Newsome. This committee and the officers will meet soon to amend the constitution so that the club may ratify it at the next meeting.

On Thursday night, Oct. 15, the Home Economic Foods Class served a dinner for the Trustees.

Hallowe'en decorations were carried out. The black and orange scheme was beautiful. Place cards were attractive with witches on brooms flying over house tops. Houses were in the left corner of the place cards and the smoke from the chimneys wrote the names of the guests.

The menu was written on the black background or orange pumpkins. The menu that was served follows:

Tomato Cocktail  
Fried Chicken Potato au' Gratin  
Deviled Tomatoes Mint Glazed Carrots and Peas  
Apple Surprise Salad  
Salad Rolls Butter  
Orange Crush  
Orange Frappe Priscilla Cake  
The hostesses were Billye Gene Howington, Margaret Wallace and Lorene Sipe. They were beautiful in their formal dresses.

Others who helped with the dinner were: Juanita Flenniken, Helen Morrison, Fleta Elkins, and Phyllis Milsap.

After the dinner the guests were shown the department which they admired as to the cleanliness and Mrs. Holmes splendid keeping.

Those who attended the dinner

were: Mr. Cherry, Mr. W. C. Russell, Mr. Tom Teague, Mr. Tom Shelburne, Mr. Rupert Jackson, Mr. Virgil Galloway, Mr. C. G. Bennett, Mr. Mac Brundage, and Mr. Harold Bonner.

Mr. Bennett, Mr. Jackson, and Mr. Galloway filled in the places of Mr. McCrary, Mr. M. T. York, and Mr. Green.

### KONGENIAL KARD KLUB

The Kongenial Kard Klub played in the home of Mrs. Paul Fraser on Lake Drive, Tuesday afternoon, with Mrs. J. M. Bullard holding high score.

The Hallowe'en season was suggested in table accessories and the lovely salad plate served at the tea hour.

Those present were Meses. Earl Shurtliff, Coy Fielder, B. W. Nobles, Ray Willingham, J. M. Bullard, E. M. Greenhill, Raymond Jones, J. Frank Johnson, M. T. Hudson, A. R. Elam, and Dewey Gildon.

### MISS LOUISE KATHRYN POWELL MARRIES SAGERTON MAN

Saturday afternoon, October 17, Miss Louise Kathryn Powell and Mr. Carl G. Sims were united in marriage in Anson. The couple were accompanied to Anson by the bride's mother and step-father, Mr. and Mrs. Horace Erwin, of South Side community.

Mrs. Sims wore a becoming dress of blue, with white accessories.

Mr. and Mrs. Sims will make their home near Sagerton.

### BLUE BIRD CLUB

#### WITH MRS. FEAGAN

Mrs. Elmer Feagan entertained the Blue Bird Club and other guests in her home on Union Avenue, Tuesday afternoon.

Snapdragons decorated rooms where three tables of contract were in play. High score was won by Mrs. M. T. Woodward. A Hallowe'en motif was used in game appointments and also appeared in the attractive salad plate.

Members playing were Meses. M. T. Woodward, John Ed Day, F. D. Wells, Arice Jones, Bob Low, Joe Culbertson, Ted Bledsoe, P. A. Fowler, and Art Carmichael. Guests were Meses. J. T. Bynum, Frank Waggoner and Mrs. Paul J. Poag, of Del Rio.

### TUESDAY CLUB

Miss Lulan Vaughan was hostess to the Tuesday Club, entertaining in her home on Jackson Avenue, Tuesday afternoon at three o'clock.

Clusters of Crepe Myrtle decorated the spacious living room where the usual three tables of contract were in play. Hallowe'en tallies gave places at the tables and the same motif was repeated in the plate of salads served with sandwiches, cake and coffee.

Those present were Meses. J. C. Culbertson, D. O. Sauls, H. O. Cassle, H. L. Norris, Bowen Pope, J. O. Jones, J. E. Bury, H. L. McBride, R. B. Wiar, W. J. Poe and Miss Pearl Whiteley.

### MRS. McCURDY HOSTESS

#### TO CLUB

Mrs. R. H. McCurdy was hostess to the Oriental Bridge Club in her home on Union Avenue, Thursday afternoon of the past week.

Cut flowers and growing plants added attractiveness to rooms where guests spent the afternoon at bridge. High score for the club was made by Mrs. C. C. Prater and for the guests by Mrs. Raymond Jones. A salad course with coffee was served.

Members playing were Meses. M. T. Woodward, J. O. Jones, A. E. Pardue, C. C. Prater, J. F. Taylor, J. P. Morgan, A. D. Ensey and B. W. Nobles. Guests were Meses. John Ed Day, H. O. Cassle, Raymond Jones and Arice Jones.

One can help himself without hurting the other fellow.

### BIRTHDAY LUNCHEON

Mrs. Hibbs Milsap entertained in her home on Jackson Avenue, Wednesday at twelve o'clock, complimenting her daughter, Miss Phyllis Gay, with a surprise luncheon on her fifteenth birthday.

Bowls of red snapdragons decorated the entertaining rooms, and crystal vases of the same lovely blossoms centered the four quartet tables from which the delicious three course luncheon was served.

Those enjoying this happy occasion with Phyllis Gay were Meses. Virginia Wells, Virginia Sue Flowers, Mary Emily Eakin, Constance Teague, Mildred Barrow, Eva Louise Fowler, Frances Murphy, Fay LaVerne Howard, Dorothy Jane Bailey, Marie Akers, Bernice Shelton, Mary Dell Parks, Elouise Riddle, La Nelle Sledge and Lois Ellen Stell.

### FIDELIS MATRONS ENTERTAINED

The Fidelis Matrons Class of the Baptist Church was entertained Wednesday afternoon in the home of Mrs. Charlie Branton on Union Avenue. The hour was spent in sewing and social conversation.

The rooms were beautifully decorated with cosmos in shades of yellow and a Hallowe'en theme was used in napkins and appeared in the attractive refreshment plate.

Those present were Meses. R. B. Morgan, Fry, F. B. Moore, J. Frank Johnson, Legg, Turner, Dick Moore, Brundage, Smith, Bledsoe, Vaughan, Harrell, Yarbrough, Sparks, Jack Miles, R. E. Johnson, Rogers, Allen and Lane.

### KATY TO RUN SPECIAL

#### FOR SCHOOL CHILDREN

There are many children in this community who never saw a train on the Katy through Hamlin, except a freight, maybe.

But on Thursday morning, Nov. 5 about 6 o'clock, there will come into this city from Rotan a special Centennial train to carry school children from Rotan, Hamlin and any other point on the Katy between Rotan and Cisco, to the Dallas Centennial. So reports, Agent Ballew.

Mr. Ballew says the train will switch to the T.&P. at Cisco and go right into the Centennial and park there till Saturday morning and then head back for the West end of the road. We presume there will be a low rate, and that there will be some place for the children to sleep (if they sleep) in Dallas. Figure it out if you want to "go Katy" to Dallas.

## PRACTICING LAW IN ABILENE

ATTORNEY WALTER S. POPE, SR., Abilene, Texas

Tuesday the Herald was visited by Hon. Walter S. Pope, formerly of Anson and a prominent attorney of Jones County. Mr. Pope, recently moved from Austin to Abilene, after having served a period of six years as Casualty Insurance Commissioner of Texas. During this time his son, Walter S. Jr., graduated from the University Law School and he is now a member of the firm with

offices in Abilene as Pope & Pope but also continuing their law business in Anson. Mr. Pope has many long-time friends in Hamlin and all parts of this section of West Texas, and no doubt but that his experience in the Insurance Department at Austin has fitted him to know every detail of the legal side of insurance litigation.

The Herald man would be glad to claim kin with this type of citizenship, but so far all we can find in common is name and a feeling of close friendship.

### CONTINENTAL OIL AGAIN

#### AGAIN VICTORIOUS IN NATION-WIDE SAFETY CONTEST

JOE S. BOYLAN

Ponca City, Okla., Oct. 26.—For the second consecutive year employees of the Continental Oil Company's wholesale marketing and production divisions have proved themselves among the most careful of the nation's workmen it was revealed here today following the close of the annual congress of the National Safety Council at Atlantic City. Again Continental has captured first place in these two division of the Petroleum Safety Contest sponsored by the Council it was announced by

Joe S. Boylan, Conoco's superintendent of safety and sanitation.

First place awards in the form of bronze plaques were presented to Mr. E. F. Battson, Conoco's eastern sales manager, at the meeting of the Council. Records set in the first six months of 1936, safety figures definitely indicate that every unit in the Continental Oil Company has made accident prevention an integral part of its daily operations, Mr. Boylan asserted.

In the production section of the contest, Conoco's accident frequency rate was 4.183 as compared to the national average of 21.706 for the first ten companies in this section. The company's victory in the wholesale marketing division was based on a frequency rate of 1.342 as against an average for the first ten companies of 10.873.

## EXHIBIT IN ANSON

The Jones County Home Demonstration Council will sponsor an exhibit in Anson Nov. 6 and 7, in the district court room.

The home demonstration exhibit will consist of tufted bedspreads, woolen comforts, quilts, rugs, mats, canned products, and quick breads and variations. Prizes will be awarded to the clubs receiving the most first, second and third places.

The 4-H Club Girls will exhibit their sewing boxes and club histories. Everyone is invited to visit the exhibits.

# OIL-PLATING DONE

# HERE

( BUT BE SURE YOU READ ALL THE OTHER WINTER OIL ADS, TOO )

You will find most of the emphasis these days, on oil that flows freely.

Well and good. You SHOULD use your correct Winter grade, but... You can see that the more freely any oil flows, the more freely it FLOWS DOWN OFF the pistons, cylinders, and other parts when you stop.

Then in starting up cold, where is mere free-flowing oil?

It is waiting to be pumped up on the job. And even in much warmer weather than this—according to engineering opinion—those oil-starved waits can cost you more engine wear than all the rest of your driving!

But this Winter with free-flowing Germ Processed oil, you can have your engine Oil-Plated! ... much more than a change to OUR Conoco Germ Processed oil... really a change to unbroken Winter lubrication for YOUR engine. It may stand cold for hours—days—weeks. Yet the slippery Oil-Plating formed only by patented Germ Processed oil, will always be UP IN ADVANCE. Pistons slip easy. Starter spins. Oil-Plated engine obliges—and lives the good life, on a stingy diet of Conoco Germ Processed oil. Continental Oil Company

## Beware The Cough From a common cold That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies; such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results. Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and heal the irritated tissues as the germ-laden phlegm is loosened and expelled. Druggists also know the effectiveness of Beechwood Creosote and they rank Creomulsion top for coughs because you get a real dose of Creosote in Creomulsion, emulsified so that it is palatable, digestible and potent for going to the very seat of the trouble. Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial irritations and especially those stubborn ones that start with a common cold and hang on for dreadful days and nights thereafter. Even if other remedies have failed, your druggist is authorized to guarantee Creomulsion and to refund every cent of your money if you are not satisfied with results from the very first bottle. Don't worry through another sleepless night—phone or go get a bottle of Creomulsion right now. (Adv.)

## The 1936 Red Cross Poster

This year's American Red Cross poster emphasizes the theme that the Red Cross is "of, by and for the people."

Four million men and women are members of the Red Cross and through their membership dues they support its activities. Only in time of major disaster when needs for relief reach greater proportions does the Red Cross ask the public for disaster relief funds. The membership funds represent the financial support of the Red Cross, and in

turn this money is used to carry the Red Cross work of mercy to distressed citizens. Membership is open to all, without regard to race, color, or creed, and the Red Cross services are given to all, without restriction.

The annual Roll Call for members is held Armistice Day to Thanksgiving Day, November 11-26.

The poster for 1936 is by Walter W. Seaton, noted illustrator and painter of movie and radio stars.

great fight back to recovery.

Mr. Stuart, when he lived in Hamlin, had two small sons, Olan and Clifford, now great big men who will see to it that the Stuart Service Station is a go, while their father sits back and smiles.

Ace Stuart has a lot of old-time friends in Hamlin who wish him much success.

R. W. Smith has been a successful service man in Hamlin for many years. Just what he will do, has not been announced.

MRS. CLARENCE RENFRO

RETURNED FROM HOSPITAL

Saturday the Barrow ambulance went to the Abilene hospital for the return of Mrs. Clarence C. Renfro, age 18, who came so near death in a recent car wreck. She stood the trip well. The baby is still in incubation in the hospital and will remain till it is fully able to be safe at home.

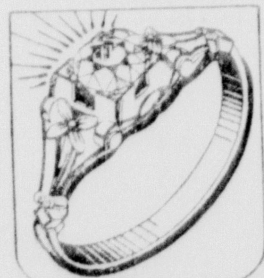

EXPRESSION OF GRATITUDE

We take this method of trying to express to our friends and neighbors our grateful appreciation for the many acts of kindness shown our dear husband and father during his long illness and for your kind sympathy at the hour of death. Each token of love whether by words, flowers or acts touched our hearts with a feeling of thanks to all.

## M'CAULLEY NEWS

The rain was fine on the small grain, but bad on the open cotton, but anyway, we take it when it comes.

Mr. and Mrs. Lloyd Hamlin, announce the arrival of a daughter, Saturday, Oct. 24, 1936. She was given the name, Barbara Ann.

Ernest Webb returned home Tuesday from a hospital in Dallas. We trust that he will soon be well again, enjoying good health. Ernest has been the faithful superintendent of the Baptist Sunday School for many years.

Miss Hallie Faye Faulkenberry returned home from the Stamford Hospital this week.

Cliff Crowley also returned home from the Stamford Hospital, where he has been ill, for several weeks.

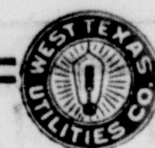

Weldon Hendon, small son of Mr. and Mrs. Lee Hendon, has been seriously ill with pneumonia.

## WISE CHAPEL ITEMS

We have had plenty of rain this week-end. Everyone wants to see the sun shine awhile now. Most everyone is up with their cotton.

Mr. and Dave Herbst spent Sunday with Mrs. J. J. Herbst.

Mrs. E. A. Isbill is visiting with Mr. and Mrs. Earl Isbill and family of Anson this week.

Clarence Proffitt spent last week in Sweetwater.

We are sorry to report that Jack Allen is on the sick list.

Mr. and Mrs. Dave Herbst, Mr. and Mrs. Earl Proffitt and Miss Catherine Drake spent Monday with Mr. and Mrs. Cliff Proffitt and A. J. Proffitt of Sweetwater.

We are sorry to report that D. M. Harris is on the sick list.

Mr. and Mrs. Johnnie Agnew and family and Mr. and Mrs. Bert Fomby motored to Abilene Sunday afternoon.

Miss Bessie Hayes spent Saturday night and Sunday with Catherine Drake.

—JOYCE.

Mrs. Maude Fizer, of Wichita Falls, came down Monday to look after her property here and to meet her mother, Mrs. W. K. Wright who came from Slaton with A. M. Fry. All these folks are former Hamlin people and still hold interest in our city.

Everyone pay dearly for his ignorance.

Miss Ellie Fuller and A. V. Bounds, of Royalty, Texas, came over Monday to visit relatives. Miss Fuller's parents, are Mr. and Mrs. D. Fuller. She accompanied Mr. Bounds, who came, to attend to business in Hamlin.

—The Herald 1 Year for \$1.00.

Mr. and Mrs. W. F. Johnson and Mr. Lewis Ezell visited the Centennial in Dallas and the races at Arlington Downs this week.

Mr. and Mrs. John T. Day returned Tuesday from Dallas and Fort Worth where they attended the Centennial shows.

At seven o'clock on October 31,  
the Juniors will open the doors to  
an entirely new and entertaining  
Junior Hallowe'en Carnival. It has  
been the custom to present an an-  
nual carnival and for several years  
such an event has been an estab-  
lished traditional occasion in the Ham-  
lin High School. The Juniors have  
attempted to make this carnival as  
nearly as possible the most original  
one that has yet been given, but yet  
we have not discarded the accepted  
customs of the school.

**QUEEN TO BE CROWNED**

The admission will be ten cents  
and that ticket will cover the stu-  
dents of four classes and the crowning  
of the High School Queen both of  
which will be presented in the high  
school auditorium. It is a program  
to entertain all visitors and the  
crowning of the queen, the highlight  
of the carnival, is to be the main  
feature of the entire program. The  
many colorful booths of the classes,  
the Home Economics Club, and the  
Athletic Club will attract the atten-  
tion of everyone.

**WE THANK YOU**

This class extends its apprecia-  
tion to the other classes for their  
co-operation and diligent efforts to  
make this carnival a success. With-

## Churches and Church Activities

### AT THE CHURCH OF CHRIST

The work and worship of the Church of Christ continues according to regular schedule. Bible study at 9:45 Sunday morning, preaching at 11:00; class for young people 6:45 P. M.; preaching at 7:15, and a mid-week prayer and study service, Wednesday at 7:00 P. M. Unusual interest was manifested last Lord's Day in attendance, especially at the evening service.

The congregation is actively and enthusiastically planning and preparing for the beginning of a series of gospel services with L. S. White, minister of the Church of Christ in Wichita Falls, doing the preaching.

Others are urged to attend with us now that our zeal, interest and work may be encouraging and fruitful as the meeting begins the 15th of November.

Remember our services, and that you are welcome at each one.

WOODIE HOLDEN, Minister.

### SAMARITAN CLASS AT METHODIST CHURCH

Officers for the Samaritan Class were elected Sunday as follows: Pres.—Anita Anderson Vice Pres.—Ruth Helen Garner Sec.—Treas.—Vera Mae Sipe Asst. Sec.—Betty Jo Garner Reporter—Charlotte Dillingham

After the election of officers it was moved and seconded for a race for new members and steady attendance. For one group the leader is Murle Carlton and the opponent leader is Joyce Hudson. We intend to carry out this plan and have more new members.

—REPORTER.

### CLASS OF ADA AT METHODIST CHURCH

The Class of Ada had the first of a series of socials Tuesday night at 7:00. Mary Jane Jones, Tommie Nell Holman, Doris and Dorothy Hudson, Ina Myrl Crowley, Wanda Wilemon, and our teacher, Miss Corey, were present at this social.

After games of "touring" refreshments were served. Before going home ghost stories were told.

The Class of Ada welcomes any outsiders to the Methodist Church and Sunday School.

### Poorly Nourished Women — They Just Can't Hold Up

Are you getting proper nourishment from your food, and restful sleep?

A poorly nourished body just can't hold up. And as for that run-down feeling, that nervous fatigue, — don't neglect it!

Cardul, for lack of appetite, poor digestion and nervous fatigue, has been recommended by mothers to daughters — women to women — for over fifty years.

Try it! Thousands of women testify Cardul helped them. Of course, if it does not benefit YOU, consult a physician.

Mrs. Graden Nicholson of Winters, has been lingering near death for two weeks or more. She is a sister of Mrs. Carl Greenway, Mrs. W. R. Wilkerson and Mrs. A. F. Dixon of Hamlin. Mrs. Nicholson has had several strokes of paralysis.

## THE CHURCH YEAR CLOSES SUNDAY

Since we are closing out the year's work this Sunday we would like very much to have both the morning and evening services well attended. It is seldom that a Sunday spent away from church is as profitable, or enjoyable in reality, as those we spend in God's appointed places of worship. Try it out Sunday.

The five Texas Conferences are meeting in Houston on Nov. 4, to celebrate the one-hundredth year of Methodism in Texas. Our first house of worship was the "McMahon Chapel." It was made possible by one Samuel Duke McMahon, a Great Grandfather of our Samuel Duke McMahon of Hamlin. Mr. Mahon is not only a direct descendant but bears the same name as the founder of Methodism in Texas.

The general theme for our discussion Sunday, 11:00 A. M. "Christianity Faces Forward." Sunday evening, 7:30 "The Horse Before the Cart." We invite you to hear these final messages of the year's work. If in Gypsy Smith's meeting you were led to make new resolutions now is the time to put them into practice.

The "Upper Room" booklet is now on hand for distribution. Get your copy before the supply on hand is returned to the publisher. Many are reading them daily to great profit.

"Some people, like sponges, give only when squeezed."

"If you are on the wrong track throw the switch."

"A pint of gasoline, mixed with gin, makes eternity near."

H. A. LONGINO, Pastor.

### WORKERS CONFERENCE

## Presidential Results Since 1860, With Popular and Electoral Vote

Here is a little bit of "history" that will appeal to the memory of the older people and leave a suitable impression on the young voter. Note that the figures go back into the dark days of our "own civil war." Note, too, how the total vote jumped in the November election of 1920 and how it has grown each year since. Note, too, how few times the Democratic party has had power. There are a number of interesting features about our national elections as show by the table below. Pick out for yourself the most interesting ones.

Do you want to make a guess on the election next Tuesday? We leave that blank for your guess. Put yours down and lay this aside and see how far you missed it.
